Shanghai. The Bund. The manifold advantages of the port attracted traders and for more than a mile along the river front rise handsome buildings of every sort. Shanghai calls itself "the Model Settlement" and with its busy animated scenes, its well-lighted streets and general air of prosperity lives up to the title.

Dear Alice: What a
trouble. Did my last
letter give you. Have
been out here a month
and expect to stay for a
year. Everything is lovely
for it is the same with
you and yours. Best wishes
from the United Kingdom.

Miss Alice L Beardsley.
